## SCHOOL COUNCIL STUDENT REQUISITES AND SUBJECT CONTRIBUTIONS 2019 YEARS: Foundation – Year 4

Dear Parents,

In line with the new Department of Education Parent Payment Policy, attached are details of the Essential Student Learning Items that are compulsory and the Optional Items that School Council requests that you pay. The optional items relate Vic Curriculum Learning Areas Capabilities that the school purchases resources to support your child's learning.

Essential Student Learning Items are those items, activities and services that are essential to support student learning of the standard curriculum. These are items that the school considers essential activities with instruction that all students are expected to be involved in or which students take possession of. Parents may choose to purchase these items themselves. However, these items must comply with the items purchased by the school.

The school is able to economically access high quality materials, equipment and resources through bulk purchases, access to government contracts and they are GST free. The savings to parents are substantial and this benefit is directly passed on to you. The Lalor Gardens Primary School Council chooses to purchase all student and classroom requisite items to ensure that students are using the correct materials for their age level as well as keeping the costs of such purchases to a minimum. As such, the Lalor Gardens PS Council requests that the school maintain the responsibility of the purchases.

Optional Items are those items, activities or services that are offered in addition to or support instruction in the standard curriculum program. These include school photos, functions, graduation, materials for extra-curricular programs, camps, excursions, school performances etc. These are provided on a user pays basis so that if parents choose to access them for students, they are required to pay for them.

**The amount for each student Foundation – Year 4 has been set at \$200.00**

Thanking you for your anticipated cooperation.

Raya Faual  
School Council President

Anne Hulett  
Principal
